Third Patch Notes: November 20 2018 : Just in time for Thanksgiving (???) we've got a significant free update for The Haunted Graveyard ! Spookier Old Vault. Version 1.2.1 released! : Hello everyone! A small new update has been released! The changes are: Fixed scrolling not working in settings when paused. Fixed custom levels not showing the entire entry when scrolling..
Septerra Core Sticky Apps :: Monitor Ping Quible Sphere Version 1.2.2 released! : Hello! This update took an embarrassingly long time to get out. I just encountered problem after problem, but it's finally here! Here are the changes: Added the ability to unlock the cursor. Greatly improved the leaderboards. You can now see more players, around you, and friends only. Fixed a bug with the ticking sound. Fixed the music starting to play at max volume in the main menu..
Second Patch Notes: October 18 2018 : Our second update for The Haunted Graveyard is now live! Highlights include: Options Menu. Version 1.2.0 released! : Hello all! I've released a new smaller update to include a feature I probably should've included in the previous version. Added rate prompt whenever you complete a custom level.
